device

### Featuring:

Delaware's only professional modern dance company, *Pieces of a Dream*, will perform *ToGetHer*, a truly powerful, memorable piece on domestic violence. POAD explores contemporary societal issues through the medium of dance to engage and educate the community.

*To The Moon* is an award-winning docudrama based on interviews with domestic violence survivors, lifting up their stories with humor, tragedy and revelation. WOCTF members, DCADV staff and other DE DV advocates will perform a dramatic reading of the play, with discussion afterward.
