# congratulations!

If you're reading this, you're likely beginning or in the process of legally transitioning. This can be exciting, emotional, and stressful, all at the same time. To make this a little easier, here's a step by step guide for updating all of your legal documents in the State of Delaware.

### **CONTENTS:**

Legal Name Change	3
Social Security Card	6
Driver's License	7
Birth Certificate	8
Passport	10
Other Documents	11
Navigating Letters	12
Forms & Resource List	13

Note: Fees and procedures constantly evolve. Planned Parenthood of Delaware reviews this guide on a yearly basis and updates as changes are made known. All fees and procedures are updated as of November 2022.

# Legal Name Change 2 Steps

# Step 1 - Application and Notary

As of March 2022, Delaware no longer requires you to publish your intent to change your name in a local newspaper. You can now skip this step and submit your paperwork directly to the court. Attached is the Petition for Name Change and the Affidavit of Petitioner. Complete these and have them notarized (privately or through your local bank.)

Attached Documents:

State of Delaware Change of Name Petition
Includes:

Petition for Name Change
Affidavit of Petitioner for Notary

## Step 2 - Court Process

Once your paperwork is complete, you can use the State's name change packet to find the courthouse located in your county. In order to file, you will need to bring the following documents:

- Birth Certificate
- Photo ID
- Completed Petition for Name Change
- Notarized Affidavit

When you file your documents with the Court, there is a filing fee of \$85.00. You will receive a hearing date, which is when the judge will rule to approve your name change. After your hearing date, the Court will provide you with eight certified copies of your legal name change. Keep these - they are what we will use to change all of your other legal documents. You can purchase additional copies for \$10/copy.

Your name is now legally changed - congratulations! Everything will begin to move very quickly now.

You have 30 days from the date of your finalized name change to change the information on your Social Security card and driver's license. Begin changing your documents in **this specific order**:

- 1. Social Security Card
- 2. Driver's License/Identification
- 3. All Other Documents:

  Credit Cards, Health Insurance, Car
  Insurance, Birth Certificate, Passport,
  Academic Documents

# Social Security Card 2 Steps

Note: there is no charge for this service.

As of 2022, the Social Security Administration no longer requires a letter of medical necessity to change the sex on your Social Security records. You can now simply fill out your application for a new Social Security card and bring it to your nearest SSA office.

Attached is an application for a new Social Security card. Complete this. Bring it to your local Social Security office along with the following:

- Evidence of identity (driver's license, identification, or passport)
- Evidence of Citizenship (passport or original birth certificate)
- Certified copy of your legal name change

### **Covid Changes:**

Many SSA offices are closed and they are currently requiring all applicants to mail in HARD COPY, ORIGINAL documentation -- NO exceptions. In order to safely continue with every day activities, download the DMV's Mobile ID app to continue driving and providing proof of identification while the SSA is processing your application and documentation.

Attached Documents: Application for Social Security Card

# Driver's License

2 Steps

## Step 1 - Gender Marker Form

Attached is the form that you will use to change the gender marker on your driver's license or identification card. There is a section that must be completed by a physician or a mental health professional. If you would like to change your gender marker to an "X," this is a separate form that does not need to be signed by a mental health professional.

## Step 2 - DMV

Wait at least 72 hours after changing your Social Security information before going to the DMV. Bring the following documents:

- Gender Marker Form, if applicable
- Certified Copy of your legal name change
- Current driver's license

The fee for this process is \$1.15

Attached Documents: Gender Marker Change Form

# Birth Certificate <sup>2 Steps</sup>

If you wish to change the sex on your birth certificate, you MUST have a letter from a licensed physician or mental health professional attesting to your medical transition. Remember, your doctor does not have to specify what medical treatment you have completed -- you are able to change your gender marker without having any surgery.

Attached Documents:
Affidavit for Sex Change - Physician Copy and Applicant Copy

# Step 1 - Affidavit for Sex Change

Attached are the TWO forms that you will use to change the sex on your birth certificate. The first must be completed by a medical professional or mental health professional. The second must be completed by you. Both of these forms must be notarized. At this time, Delaware does not allow for an "X" designation on your birth certificate.

## Step 2 - Office of Vital Statistics

Go to your nearest Office of Vital Statistics. Bring the following:

- Notarized Affidavits for Sex Change, if applicable
- Certified copy of your legal name change
- Original Birth Certificate
- Current photo identification

The fee for this process is \$25.00

# Passport

### 2 Steps

As of 2022, the U.S. Department of State no longer requires a letter of medical necessity to change the sex on your passport. You can now simply fill out your application for a new passport and submit it with the required fee. You are now also able to select an "X" gender marker for your passport.

Apply for a new passport using the typical passport application (DS-11.)

### Include the following:

- Certified copy of your name change
- Medical Certification, if applicable
- Passport photo that matches your current appearance

Fees for this service vary, but typically range from \$110 - \$150.

# Other Documents

There are several other documents to consider changing. The processes (and fees) for this vary.

- Credit Cards
- Car and Health Insurance
- Loans, Mortgages, and Financial Aid
- Academic Related Records

   (for current students, or diplomas and certificates for past students)
- Employment Related Records

# Navigating Letters

Several of these steps require a letter from a medical or mental health professional attesting to your medical transition. Planned Parenthood of Delaware is happy to work with you to complete this letter writing process.

### **Requires ONE Letter:**

Either from a medical or mental health professional

- Driver's License
- Birth Certificate
- Chest/Top Surgeries

### **Requires TWO Letters:**

- Genital/Bottom Surgeries

WPATH guidelines do not require the second letter to be written by a doctoral-level clinician, but your specific insurance or surgeon's requirements may differ

- Apply for an original Social Security card
- Apply for a replacement Social Security card
- Change or correct information on your Social Security number record

**IMPORTANT:** You MUST provide a properly completed application and the required evidence before we can process your application. We can only accept original documents or documents certified by the custodian of the original record. For assistance call us at 1-800-772-1213 or visit our website at <a href="https://www.socialsecurity.gov">www.socialsecurity.gov</a>.

### **Original Social Security Card**

To apply for an original card, you must provide at least two documents to prove age, identity, and U.S. citizenship or current lawful, work-authorized immigration status. If you are not a U.S. citizen and do not have DHS work authorization, you must prove that you have a valid non-work reason for requesting a card. See page 2 for an explanation of acceptable documents.

NOTE: If you are age 12 or older and have never received a Social Security number, you must apply in person.

#### **Replacement Social Security Card**

To apply for a replacement card, you must provide one document to prove your identity. If you were born outside the U.S., you must also provide documents to prove your U.S. citizenship or current, lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

### **Changing Information on Your Social Security Record**

To change the information on your Social Security number record (i.e., a name or citizenship change, or corrected date of birth) you must provide documents to prove your identity, support the requested change, and establish the reason for the change. For example, you may provide a birth certificate to show your correct date of birth. A document supporting a name change must be recent and identify you by both your old and new names. If the name change event occurred over two years ago or if the name change document does not have enough information to prove your identity, you must also provide documents to prove your identity in your prior name and/or in some cases your new legal name. If you were born outside the U.S. you must provide a document to prove your U.S. citizenship or current lawful, work-authorized status. See page 2 for an explanation of acceptable documents.

### LIMITS ON REPLACEMENT SOCIAL SECURITY CARDS

Public Law 108-458 limits the number of replacement Social Security cards you may receive to 3 per calendar year and 10 in a lifetime. Cards issued to reflect changes to your legal name or changes to a work authorization legend do not count toward these limits. We may also grant exceptions to these limits if you provide evidence from an official source to establish that a Social Security card is required.

#### IF YOU HAVE ANY QUESTIONS

If you have any questions about this form or about the evidence documents you must provide, please visit our website at <a href="www.socialsecurity.gov">www.socialsecurity.gov</a> for additional information as well as locations of our offices and Social Security Card Centers. ### PROTECT YOUR SOCIAL SECURITY NUMBER AND CARD

Protect your SSN card and number from loss and identity theft. DO NOT carry your SSN card with you. Keep it in a secure location and only take it with you when you must show the card; e.g., to obtain a new job, open a new bank account, or to obtain benefits from certain U.S. agencies. Use caution in giving out your Social Security number to others, particularly during phone, mail, email and Internet requests you did not initiate.

### PRIVACY ACT STATEMENT Collection and Use of Personal Information

Sections 205 and 702 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from assigning you a Social Security number and issuing you a new or replacement Social Security card.

We will use the information you provide to issue you a replacement Social Security card. We may also share your information for the following purposes, called routine uses:

- To Federal, State, and local entities to assist them with administering income maintenance and health maintenance programs, when a Federal statute authorizes them to use the Social Security number; and
- To student volunteers, persons working under a personal services contract, and others when they need access to information in our records in order to perform their assigned agency duties.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0058, entitled Master Files of Social Security Number (SSN) Holders and SSN Applications, as published in the Federal Register (FR) on December 29, 2010, at 75 FR 82121. Additional information, and a full listing of all of our SORNs, is available on our website at <a href="https://www.ssa.gov/privacy">www.ssa.gov/privacy</a>.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take between 5 and 60 minutes to read the instructions, gather the facts, and answer the questions. SEND OR BRING THE COMPLETED FORM TO YOUR LOCAL SOCIAL SECURITY OFFICE. You can find your local Social Security office through SSA's website at <a href="https://www.socialsecurity.gov">www.socialsecurity.gov</a>. Offices are also listed under U. S.
