**What is WEAVER?**

WEAVER, **Women Empowered Against Violence in Every Relationship**, is a Task Force comprised of survivors of domestic violence.

Our purpose is to educate the general public, criminal justice officials, government officials, service providers, advocates, and other professionals about domestic violence from a survivor's perspective.

WEAVER is not a service provider or support group. WEAVER is not for women in active domestic violence situations.

Members' common experiences with domestic violence as a form of oppression provides the foundation and is the common ground upon which we can build, working together to end all oppression, to end violence against women.

**Task Force Goals**

- To empower the voices of survivors on behalf of battered women.
- To advocate on behalf of survivors and battered women.
- To take an active stand to effect social, political, and economic change on behalf of survivors and battered women.
- To educate themselves and others about the unmet needs of battered women.
- To create a network with those who share their experiences, philosophies, and goals.

**Want to Join WEAVER?**

Membership is free and open to all women who have experienced domestic violence or abuse at the hands of an intimate partner.
