JUSTICE**

WHO WE ARE

- **ABOUT H.O.M.E.S.**
- We are local residents, unhoused community members, educators, and advocates working to develop a housing policy agenda that is focused on:
 - Creating high quality affordable renter-ship opportunities;
 - Creating fair opportunities for home ownership;
 - Ending homelessness; and
 - Ensuring accessible housing options for returning residents.

WHAT WE DO

- **The H.O.M.E.S. Campaign organizes and engages local communities across the state, including Kent and Sussex Counties, to understand and advocate for the local and statewide policy solutions needed to realize housing as a human right in Delaware.**

WHAT WE BELIEVE

- **WHAT WE BELIEVE**

1. Housing is a Human Right, NOT a commodity to be bought and sold for profit.
2. Housing should and must be affordable, healthy, and safe.
3. Housing must be accessible to all people—those experiencing mental health challenges, people with disabilities, individuals returning from prison, unaccompanied youth, veterans, and groups historically excluded from housing—specifically Black and Brown residents.
4. Housing should be community controlled and owned.

HB235

- **Bill of Rights for Individuals Experiencing Homelessness**

**Renters
shouldn't have
to go it alone.**
